CERTIFICATION

FSSC 22000 CERTIFIED

FSSC 22000 is a food safety management system certification scheme recognized by the Global Food Safety Initiative (GFSI). It builds upon the ISO 22000 food safety management system standard, incorporating relevant Pre-Requisite Programs (PRPs) and additional requirements. FSSC 22000 aims to ensure food safety standards and processes throughout the food manufacturing industry and its related supply chain. Papiro Ltd. is FSSC 22000 certified through SGS Bangladesh.

ENVIRONMENTAL CLEARANCE CERTIFIED

An Environment Clearance Certificate (ECC) in Bangladesh is a legal permit issued by the Department of Environment (DoE) to ensure that industrial and commercial activities have minimal environmental impact. It is mandatory for many projects and industries to obtain an ECC before commencing operations. Papiro Ltd. is certified with Environmental Clearance Certificate. The certification is both verified and issued by the Bangladesh Government (Department of Environment).
